

## a little bit of history . . .

### **Rony B. & P.E.R. soul trio** - at home on Mallorca - performing all over Europe

- 1981** **Rony B.** finishes his studies as piano teacher at the music conservatory in Hamburg and is contracted as pianist & keyboarder for a professional 7-piece function band in Hamburg, performing mainly in the north of Germany for corporate events, private parties and village fairs.
- 1984** **Rony B.** moves to one of the most prestigious 6-piece function bands that time in Germany, performing all over Europe for corporate events, private parties and village fairs. This band was very well-known as rhythm section of many german Top Acts for gala shows and concerts in the 80s.
- 1989** **Rony B.** takes over a local 4-piece function band from Hamburg as pianist, keyboarder & musical director, converting this band into a recognized top function band in the north of Germany. Also with this band he accompanies various german and international TOP acts at corporate events, galas, private parties and village fairs.
- 1996** **Rony B.** moves to Mallorca, making contacts and preparing new projects on the Balearic Islands, but keeps on performing with his band in Germany.
- 1998** Bye Bye Germany! **Rony B.** starts playing with his first project on Mallorca: „TAROD“ as trio (female singer, saxophonist & keyboarder). The band played exclusively for 5\* hotels like Hotel Formentor, Palace de Mallorca, Hotel Valparaiso, varios hoteles de 5\* en Playa de Muro y Alcudia, Son Vida, Dorint/Steigenberger, Cap Rocat, Son Claret, St. Regis Mardavall and a lot more, also for high level corporate events, and high level private parties. Later on he adds more artists to the band and creates an „open band project“ to adapt the band to the special needs of his long time clients for corporate events and weddings. My most important agencies I cooperated with that time for the hotel performances: Romantic, Global, Bravo y TRUI.
- 2004** **Rony B.** founded his own production company [www.mallorca-inear.com](http://www.mallorca-inear.com), event entertainment and equipment rental, frontline, backline and AV.
- 2008** Last Season performing weekly Hotels Entertainment. And: "**FRESH party & soul band**" is born, the evolution of „TAROD“ - with nearly the same artists, but for marketing reasons **Rony B.** decides to change the name of the band. The most exciting years for **Rony B.** on Mallorca are starting - preparing new set lists, learning about web design, auditions, rehearsing, recording demos, producing videos, transcription of more and more arrangements, and . . . investing in the latest digital equipment for **FRESH**.
- 2009** First gigs of his band under the NEW name and with the NEW concept, but with a lot of the same

international resident artists, and artists from abroad **Rony B.** is collaborating with since various years.

- 2010** Every year more and more international TOP singers and musicians from classic to jazz, rock, soul and pop are forming part of the musical family of **Rony B.** and mallorca-inear.. Therefore **Rony B.** can offer nearly any kind of musical entertainment for any kind of event on the Balearics. It's self evident, that **Rony B.** also offers all needed sound, stage and light equipment for the performances of his band and colleagues.
- 2020** In March **Rony B.** sells mallorca-inear and the band **FRESH** to colleagues from Germany. He wants to go back to his musical roots before retirement: Just performing - at cooperate events, weddings and some selected hotels and piano bars on Mallorca. No production & admin work anymore!
- 2022** Together with his longtime colleagues Patti Ballinas (drums) & Elon Jackson Bivins (vocals & bass), **Rony B.** starts "**P.E.R. soul trio**" in summer 2022 with a first public gig at one of the biggest anual tourist events in Mallorca, "Tourist Day" in Paguera.

## References and Experiences
